Virgil Series

There are two designs of this office chair, one is simple without any lines, another is lines design. They can satisfy different needs.

The model is A1811-1, we add the lines on chair body base on the simple design. Classical element is forever. It can match different office project.

Virgil design combine simple lines and aluminum element. The fusion of modern and classic.

The pursuit of furniture including office chairs is embodied in three aspects: fashion, simplicity, and full of the atmosphere of the times.
