Nataku Series

Designed by HnasPanton

All variations of the ErgoMedic-Model series are based on a comfortable, breathable mesh fabric. In addition with the backrest made out of flexible plastic it gives you a pleasantly soft seating sensation.

The chair is fully adjustable to suit individual ergonomic needs. The seat, neck rest, backrest, armrests and lumbar support can easily be adjusted to suit diverse needs. The neck rest and clothes hanger can be retrofitted at any time.

Hanami Series
