创建者说

WORDS OF CREATOR

Eleven years ago, I was a college student with a dream, surrounded by profit maximization. I started office chair business by chance and made little money with "simple mind". In spite of the lack of professional ability and market resource, I determinedly believed that I would be successful if sincerely focus on one thing and keep learning to create value. Therefore, I concentrated on products alone and ignored market hubbub in pursuit of product development, higher quality and honesty, my business developed slowly and couldn't win wide recognition. Although I couldn't make a fortune in a short time, I kept this choice!

Study makes us more professional. Profession strengthens FURICCO to create more value for customers gradually. For 11 years, we exclusively focus on leather chair including various styles, such as classical, luxurious, simple, elegant and fashionable. We can freely apply various design elements to different roles and make them alive. Nowadays, Furicco provides over 20,000 leather chairs to the world per month, which integrate into different offices in different roles.

Product value helps FURICCO win more attention and recognition. We cherish industry respect very much and keep working hard because each product carries responsibility and mission and each detail expresses professionals. The future of handicraft lies in quality, taste and perfection.

In spite of temptation and obstacles in the way, we go ahead without distraction and feel less troubled. Thanks for praising for "keeping faith".

This catalogue collects good works designed by Furicco in recent years, which can be divided into four types, including simple and classical, elegant and luxurious, exquisite and fashionable, dignified and calm, as a summary of past products. These products have steady quality after mass production and market test. Their quality and price competitiveness have been widely recognized. We are looking forward to your attention and comment.

Please allow us to take value maximization as the foundation of FURICCO economics. We are engaged in producing chairs with humanistic feelings, which can be an important element in pursuit of modernization, internationalization and high grade in office life.

Focus on my strengths and make a success, which realizes my dream.

十一年前，怀揣梦想，耳边还萦绕着“利润最大化”经济学术语的学生，机缘巧合地走进办公椅领域，开启了“钱少、人傻”的创业之路。没有专业能力，没有市场资源，却笃信：不断学习，诚实，专心地做好一件事，做出价值，总会有明天。就一路“孤独”地走来，市场浮华纷扰，而我们在专心做产品，坚持做产品开发，坚持对更高质量追求，坚持以诚为本的商业信条。虽然发展速度并不快，不能在短时间内聚焦财富，也没有办法赢得所有人的认同，但这就是我们的选择！

学习，让我们不断变得更加专业，对专业的执着与敬畏，也让富凯在日复一日积累中，有能力为客户创造更多的体验与价值。十一年，只做皮椅，古典的、现代的、奢华的、简约的、端庄的、时尚的……各种风格，精彩纷呈。我们竟能将各种设计元素运用自如，好像赋予它们生命，让其以各种角色，缤纷呈现。现在，富凯每个月向市场输出的皮椅，已超过 20000 张，而它们以不同的角色，融入各种风格的办公环境……

产品的价值，让富凯得到更多人的关注与认同，而我们特别珍惜这份来自行业的尊重，细心呵护，不敢懈怠，因为每一个产品，都承载着一份责任与使命，每一个细节，都表达着一种专业精神，手工制造业的未来，难以品质、品位、力求完美而存在。

一路上，诱惑多于障碍，心无旁骛，埋头前行，倒也不觉得有太多荆棘。感谢你为我们的“坚守信仰”点赞！

这本产品画册汇集了近几年富凯的用心之作，可以简单地分为简约经典、高贵奢华、精致时尚、端庄稳重等几类，以此作为对以往产品的一个小结。这些产品通过比较大量的生产和市场验证，已经非常成熟，其品质和价格竞争力，得到了很广泛的认同。期待您的关注、点评。

请允许我们把“价值最大化”作为“富凯经济学”的基石，埋头做椅子，让皮质办公椅更怀有人本的温度，更成为人们追求现代化、国际化和高品质办公生活的重要元素。

专心做我所擅长的事，做出精彩，就是让情怀落地。

FURICCO

Nobody knows where is confidence from, maybe it has thousands of sources and millions of incarnations. But when we sit on these noble and comfortable office chairs, self-confidence is really not far away.

没有人知道信心源自哪里，或许它有千万个来源，亿万化身，但是当我们坐在这高贵而舒适的办公椅上时，那份自信是那样容易就触手可及了。
