Wing Chair Series

The armrests of the chair are like wings growing from the inside to the outside on both sides, naturally extending, light weight and load-bearing, and the lines are smooth and tough.

This year we independently developed several series of office chairs.

The aeroplane wing of style, comfort and durability, this series features oversized molded foam cushions.

A steel substructure for enhanced functionality and strength, making office space become the environmental art through simplifying.

WING CHAIR

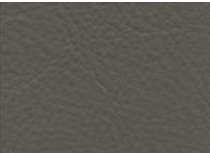

The armrests of the chair are like wings growing from the inside to the outside on both sides, naturally extending, light weight and load-bearing, and the lines are smooth and tough.

This year we independently developed several series of office chairs.
